

## High Output 50Hz Perkins Diesel Generator 1000L Fuel Tank Low Noise 75dBA

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Fuel Type: Diesel
- Speed: 1500rpm
- Noise Level: 75dBA
- Weight: 3000kg
- Dimensions: 2500mm X 1500mm X 2000mm
- Power Output: 1000kW
- Warranty: 1 Year
- Starting System: Electric
- Highlight: Perkins Diesel Generator 75dBA,  
1000L Perkins Diesel Generator,  
50Hz diesel engine electric generator

## Product Description

### Product Description:

Perkins Diesel Generator - Durable Diesel Generator Set

This Perkins Diesel Generator is a reliable and durable diesel generator set, powered by a designated engine brand, Perkins, and designed with an automatic control system. It runs on diesel fuel type, with a voltage of 400V and a fuel tank capacity of 1000L. The generator features an efficient and reliable performance, and also comes with a wide range of other advantages such as a long service life, low fuel consumption, and low noise levels.

The Perkins Diesel Generator is designed to meet the most stringent requirements for power generation, and provides a safe and reliable power supply for various applications in industrial and commercial sectors. The generator is equipped with a comprehensive range of safety features such as automatic overload protection and over-temperature protection, and is supported by a comprehensive after-sales service.

The Perkins Diesel Generator is the perfect choice for anyone looking for a high-quality and reliable diesel generator set. With its powerful engine, long service life, low fuel consumption, low noise levels, and comprehensive safety features, this generator is sure to meet all your power generation needs.

### Features:

**Product Name:** Perkins Diesel Generator

**Fuel Type:** Diesel

**Engine Brand:** Perkins

**Control System:** Automatic

**Noise Level:** 75dBA

**Weight:** 3000kg

**Special Feature:** Advanced Diesel Electric Generator

### Technical Parameters:

Feature	Specification
Heavy Duty Diesel Generator	Perkins
Voltage	400V
Warranty	1 Year
Noise Level	75dBA
Control System	Automatic
Cooling System	Water Cooled
Starting System	Electric
Weight	3000kg
Fuel Type	Diesel
Engine Brand	Perkins
Speed	1500rpm
Durable Diesel Generator Set	Yes

### Applications:

Heavy Duty Diesel Generator- Minlong Perkins Diesel Generator

Minlong Perkins Diesel Generator delivers powerful and reliable performance with its sturdy construction and high efficiency. This heavy duty diesel generator is equipped with a Perkins engine that can generate up to 1000kW of power output. It features a 1500 rpm speed, electric starting system and dimensions of 2500mm x 1500mm x 2000mm, making it ideal for industrial applications. With its durable and reliable performance, it has become a popular choice for businesses and organizations. The Minlong Perkins diesel generator is a reliable

and cost-effective solution for any kind of energy needs.

The Minlong Perkins diesel generator offers superior performance and durability, making it a great choice for a variety of applications. It is suitable for powering industrial operations, providing reliable backup power during emergencies, and powering remote locations. With its powerful and reliable performance, it can meet the needs of any business or organization. It is also an excellent choice for powering remote locations due to its portability and ease of use.

The Minlong Perkins diesel generator is designed with top-notch components that are built to last. It features a high-quality Perkins engine that is designed to provide reliable and powerful performance. This heavy duty diesel generator is designed for maximum efficiency and can handle the toughest conditions with ease. Its durable and reliable performance make it a great choice for businesses and organizations.

The Minlong Perkins diesel generator is the perfect solution for any kind of energy needs. With its reliable and durable performance, it is an ideal choice for powering industrial operations, providing reliable backup power during emergencies, and powering remote locations. Its superior performance and durability make it a great choice for any business or organization.

## Customization:

### Minlong Durable Diesel Generator Set - Heavy Duty Diesel Generator

Brand Name: Minlong

Place of Origin: China

Weight: 3000kg

Speed: 1500rpm

Fuel Tank Capacity: 1000L

Frequency: 50Hz

Warranty: 1 Year

Minlong's Heavy Duty Diesel Generator Set is designed to last, with a durable frame and a reliable engine. It has a fuel tank capacity of 1000L, runs at a speed of 1500rpm, and has a frequency of 50Hz. Our Heavy Duty Diesel Generator Set comes with a 1 year warranty. Buy with confidence knowing that Minlong's Heavy Duty Diesel Generator Set is the most reliable and durable on the market.

## Support and Services:

### Perkins Diesel Generator Technical Support and Service
