### Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

### Product Specification

- Certificate: CE/ISO/SGS
- Weight: Customized
- Rated Voltage: 220V/380V/400V/415V/440V
- Fuel Tank Capacity: 50-1000L
- Control System: Automatic/Manual
- Cooling System: Air/Water
- Fuel Type: Diesel
- Phase: Single/Three
- Highlight: **Diesel Mobile Truck Generator,  
Electric Mobile Truck Generator,  
Manual Mobile Truck Generator**

## Product Description

### Product Description:

Mobile Diesel Generator is a powerful and reliable mobile diesel power unit, providing efficient and reliable power for any application. It features a robust diesel engine unit, which offers rated voltages of 220V/380V/400V/415V/440V and frequencies of 50/60Hz. This mobile power unit is powered by diesel fuel, providing a reliable and cost-effective power source. It also comes with a one year warranty and a choice of air or water cooling system for optimal performance. With its compact design and robustness, Mobile Diesel Generator is a reliable and efficient mobile power solution for any application.

### Features:

**Product Name:** Mobile Diesel Generator

**Type:** Mobile Diesel Generator

**Dimension:** Customized

**Fuel Type:** Diesel

**Rated Voltage:** 220V/380V/400V/415V/440V

**Start Mode:** Electric/Manual

**Mobile Diesel Engine Unit:** Yes

**Mobile Power Diesel Generator:** Yes

### Technical Parameters:

Parameter	Details
Type	Mobile Diesel Generator
Control System	Automatic/Manual
Frequency	50/60Hz
Cooling System	Air/Water
Start Mode	Electric/Manual
Fuel Type	Diesel
Certificate	CE/ISO/SGS
Noise Level	Low
Rated Voltage	220V/380V/400V/415V/440V
Phase	Single/Three

### Applications:

Mobile Diesel Generator, produced by Minlong from China and certified by ISO9001, is the ideal choice when it comes to mobile power solutions. It can be ordered in minimum of 1 piece with a price that can be negotiated. The packaging type is wood case, and delivery time usually takes 10-15 days. The payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. Minlong is able to provide 1000 pieces of Mobile Diesel Generator per week. The fuel tank capacity ranges from 50-1000L, and the start mode can be either electric or manual. The weight of the generator is customizable. The Mobile Diesel Generator is backed by 1 year warranty.

### Customization:

We provide a range of custom-made **Mobile Diesel Generator** products, branded as Minlong, with a wide range of power output ranging from 20-100KW. The product is certified with ISO9001 and produced in China. Our **Mobile Diesel Power Unit**, **Mobile Diesel Engine Unit** and **Mobile Diesel Generator** are packed in wood cases for delivery. The minimum order quantity is 1 and the delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. We guarantee a supply ability of 1000 pieces per week. The phase can be either Single or Three, while the fuel type, start mode and control system are customizable in both Electric/Manual and Automatic/Manual options. The price is negotiable.

## Support and Services:

### Mobile Diesel Generator Technical Support and Service

We provide comprehensive technical support and service for mobile diesel generators. Our service team is experienced and knowledgeable to help you with any questions or issues that you may have. We offer maintenance and repair services, as well as troubleshooting and preventive maintenance. We can also provide installation services, and help with troubleshooting problems that you may encounter. We are available 24/7 to help with any questions or concerns you may have.

Our service and support team is dedicated to providing the best customer service possible. We provide prompt and accurate communication, and work to resolve your issues quickly and efficiently. We strive to keep your mobile diesel generator running at its peak performance. Our team is highly experienced, and can provide reliable advice and solutions for any issue that you may have.

Our technical support and service team is available to answer any questions or concerns you may have. We provide technical advice and solutions to help you get the most out of your mobile diesel generator. If you need help with maintenance, repair, or installation, our team is ready to help.

## Packing and Shipping:

### Packaging and Shipping

The Mobile Diesel Generator will be securely packaged to prevent any damage during shipping. The package will include materials such as foam, bubble wrap, and cardboard for extra protection. The package will also be clearly labeled with the product name, weight, and other relevant information.

The Mobile Diesel Generator will be shipped via an express delivery service. We will provide a tracking number for the package to ensure that it arrives safely and on time.

## FAQ:

### Q: What is the brand name of the mobile diesel generator?

A: The brand name of the mobile diesel generator is Minlong.

### Q: Where is the mobile diesel generator from?

A: The mobile diesel generator is from China.

### Q: Does the mobile diesel generator have any certification?

A: Yes, the mobile diesel generator has ISO9001 certification.

### Q: What is the minimum order quantity?

A: The minimum order quantity is 1.

### Q: What is the price of the mobile diesel generator?

A: The price of the mobile diesel generator is negotiable.
