

Mobile Trailer Mounted Generators 50-1000L Customized Air/Water Cooling System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Certificate: CE/ISO/SGS
- Fuel Tank Capacity: 50-1000L
- Noise Level: Low
- Cooling System: Air/Water
- Power Output: 20-100KW
- Dimension: Customized
- Fuel Type: Diesel
- Start Mode: Electric/Manual
- Highlight: **Customized trailer mounted generators,
1000L trailer mounted generators,
Mobile Trailer Mounted Generators**

Product Description

Product Description:

Mobile Diesel Generator is an ideal mobile diesel power unit for industrial applications. It is equipped with diesel engine unit to provide reliable, durable and cost-effective power. It is designed for easy transportation, installation and maintenance. It has a rated voltage of 220V/380V/400V/415V/440V and fuel type of diesel. The dimension is customized and cooling system of both air and water is available. It features both electric and manual starting modes.

This mobile diesel generator is perfect for any industrial application that requires high-quality, reliable and cost-effective power. It is robust and durable, making it an ideal choice for tough working environments. Its ease of transportation and installation makes it a great choice for mobile operations. It also offers a wide range of fuel types and rated voltages, allowing users to customize the generator to their specific needs. The cooling system can be adjusted for air or water cooling, and it has both electric and manual start modes.

Mobile Diesel Generator is the perfect choice for any industrial application that needs a reliable, durable and cost-effective power solution. It offers a wide range of features and benefits, including a range of fuel types and rated voltages, easy transportation and installation, and adjustable cooling system. It also features both electric and manual starting modes, making it one of the most versatile mobile diesel engine units available.

Features:

Product Name: Mobile Diesel Generator

Power Output: 20-100KW

Cooling System: Air/Water

Frequency: 50/60Hz

Type: Mobile Diesel Generator

Warranty: 1 Year

Keywords: Mobile Diesel Power Unit, Mobile Diesel Generator

Technical Parameters:

Parameter	Technical Specifications
Power Output	20-100KW
Type	Mobile Diesel Generator
Dimension	Customized
Control System	Automatic/Manual
Cooling System	Air/Water
Warranty	1 Year
Fuel Tank Capacity	50-1000L
Phase	Single/Three
Frequency	50/60Hz
Rated Voltage	220V/380V/400V/415V/440V

Applications:

Mobile Diesel Generator from Minlong, a leading manufacturer in China, has been certified with ISO9001 and provides CE/ISO/SGS certificates. It has a Minimum Order Quantity of 1, price is negotiable and wood case is available for packaging. The delivery time is 10-15 days and payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. This mobile diesel engine unit is available in 1000 pieces per week with customizable dimension. It has both electric and manual start modes with diesel fuel type and frequency of 50/60Hz.

Customization:

Mobile Diesel Generator

Minlong brand mobile diesel generator is a reliable power source for off-grid applications. It is designed with a robust structure for easy installation. Our generators are equipped with engines of reliable brands and are certified with ISO9001. These mobile diesel generators

are available in single and three phase and are suitable for indoor or outdoor applications. Our generators are available in different dimensions and fuel tank capacity, ranging from 50-1000L. The start mode of our mobile diesel generators is electric/manual. Minlong brand mobile diesel engine units are CE/ISO/SGS certified and have a minimum order quantity of 1. We offer competitive prices and flexible delivery times of 10-15 days. Packaging is done in wood cases and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Our supply ability is 1000 pieces per week.

Support and Services:

Mobile Diesel Generator Technical Support and Service

We provide comprehensive technical support and service for our mobile diesel generators to ensure they continue to deliver reliable performance and meet your needs.

Overview

Our mobile diesel generators are designed to provide power in remote and challenging locations. We provide technical support and service to ensure they continue to function reliably and efficiently.

Technical Support

We offer a range of technical support options, including telephone support, email support, online support and on-site support. Our technical support team is available 24 hours a day, 7 days a week to answer any questions you may have and help you troubleshoot any issues.

Service

We offer a variety of service options, including scheduled maintenance visits, emergency repairs and parts replacements. Our service technicians are highly experienced and certified to work on our mobile diesel generators.

Packing and Shipping:

Mobile Diesel Generator Packaging and Shipping:

Each generator is carefully packaged in a custom-made wooden box.

The box is designed to ensure that the generator is well-protected during shipping.

The generator is then shipped via a reliable courier service.
